1985 Kawasaki Ltd , Up for sale is a 1985 Kawasaki LTD 454. I bought the bike last spring for a summer commuter. I bought it with about 12,000 miles on it and it currently has 18,700. I had absolutely no issues with it. It has a slight bog when you hit the gas hard. The carbonators need a cleaning but worked just fine for what I used it for.
