Law and Cultural Conflict
Decision making about sexual practices and family formation has become complex for those who identify with counter-cultural and sub-cultural groups (or who simply ascribe to traditional views about sexuality and family life). The widening gap between modern and traditional family norms and values has created an internal dissonance between societal and group specific beliefs about many aspects ...

Religion, Family Law, and Recognition of Identity in Nigeria
Religion and Culture are two terms that human beings sometimes are unable to decipher. Some people consider both of these as a part of each other, some people think they both are not entirely linked with each other. Here is a look at both these terms and what actually makes them relate able and different from each other.
