The exercise of spiritual warfare-what is it? Do you need special training? Do we need to confront evil or does God do that for us? How do we relate as believers to Satan and demons? In The Beginner's Guide to Spiritual Warfare, Neil Anderson and Timothy Warner provide an overview of the battle between the kingdom of God

and the kingdom of darkness, which affects every one of us. First we need to know who we are in Christ. To help apply the victory Christ won over the enemy, the book gives basic practical instruction for obtaining ongoing victory in daily life. Topics covered include; having a biblical worldview, knowing which God I serve, giving up my reluctance to be a warrior and becoming fit for battle. The "Art of Spiritual Warfare: A Manual" explains how Believers in

Christ must receive Divine strategies and tactics to defeat Satan when he comes to attack. This book covers: - the importance of knowing your identity in Christ - the importance of prayer in spiritual warfare - how to prepare for spiritual battle - the spiritual weapons that God provides - spiritual tactics to carry out to claim victory This book is written to help readers understand spiritual warfare and how to effectively use God's spiritual weapons to "fight the good fight of faith" through Jesus Christ.

There is a great war being waged in the world today. It is not a conflict between nations, tribes, or government leaders. It is not a rebellion or coup. It is an important invisible battle taking place in the spirit world. The Bible states that God's people are destroyed because of lack of knowledge (Hosea 4:6). One of the main areas in which believers are being defeated due to lack of knowledge is in spiritual warfare. The early Church viewed their spiritual experience in terms of warfare. Military terminology is used throughout the New Testament. Protection was seen in the armor of God and the Word of God was compared to a sword. Satan's attacks were called fiery darts. Faith was the "good fight" and believers were told to "war a good warfare." The early Church knew they were engaged in an intense spiritual struggle. The same spiritual battle continues today but instead of fighting the enemy, believers are often building great church buildings, producing musical dramas, holding fellowship meetings, and fighting one another while this great spiritual battle wages around them. Satan has even intensified his attacks against the church that has withdrawn from the front lines of battle. As the end of time approaches it is even more important for believers to understand spiritual warfare than in the early days of church history. The Apostle Paul warned:

"This know also, that in the last days perilous times shall come." (II Timothy 3:1) In order to be properly prepared for these perilous times, renewed emphasis must be placed on the strategies of spiritual warfare. The Christian life is war. The sooner we recognize and prepare for it, the sooner we will experience victory. Luke 14:31 says, "What king, going to make war against another king, sitteth not down first, and consulteth whether he is able with ten thousand to meet him that cometh against him with twenty thousand?" No king ever entered into a battle without a careful examination of his resources and development of battle strategies. In essence, that is what we are doing in this course. We are making a careful evaluation of the strategy, weapons, and power available to us to win the war against our enemy, Satan. In the military world, "strategy" is the science of forming and carrying out military operations. It is the method or plan which leads to the goal of victory. In this book you will learn to formulate and carry out spiritual military strategy which will bring victory in the spirit world.

Do you want to be challenged to deepen your understanding of the characteristics and requirements of Almighty God? The Understanding God Series contains the bulk of Pastor Tony Evans' compelling and hard-hitting resources on the essentials about God, Jesus Christ, the Holy Spirit, Spiritual Warfare, and prophecy. Now available in paperback, readers will not want to be without a single book in the series by this popular and powerful speaker and author. Just because many of us ignore spiritual warfare does not mean we're not in an intense battle. Tony Evans tackles this difficult and theologically complex issue with the intensity, skill, and biblical foundation readers have come to expect. He system-

atically reveals Satan's strategies and helps readers fight back.

The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.

Evil is real, and Christian women know it. While most books on the topic of spiritual warfare take a charismatic approach, Spiritual Warfare for Women aims directly at the center of the evangelical market, giving instruction and assurance to all women who want to protect themselves and the ones they love. McCoy provides spiritual wisdom and practical tips on identifying the enemy's strategies, overcoming fear, and exercising the power that comes from God. The book is structured around the battle between God's love and Satan's lies. Once a woman can embrace the first and reject the second, she is well on her way to victory.

RUN TO THE BATTLE Where are we headed in these last days? What battles are we going to have to fight in the spiritual realm against the satanic forces? The world's current situation expresses it more than ever that we are at the end of the end-times. Are we ready to fight the fight of our lives to do our part to usher in the kingdom of God? There are ways we can take back the land the enemies of God have stolen from us. Will we stand for God's truth or the lies of the world? We must choose which side we are on. Run to the Battle will show us the weapons we been given by the Father and how to properly use them for effective warfare. Get this RUN TO THE BATTLE and let Terry show you how to do spiritual warfare in these end times.

Armor Up! Take Your Stand in the Word of God...The Battle Belongs to the Lord! Put on the full armor of God, so that you will be able to stand firm against the schemes of the devil. (Ephesians 6:11) Have you recognized the spiritual warfare that surrounds us as Christians and as a nation? We are in times that we have never known before. These are not the days for casual Christianity, for we are in an unseen war! If we do not recognize our enemy, we will misunderstand where the anger, bitterness, relational issues, despair, and fear are coming from. Those who are not paying attention to the battle will be deceived in the fight! God has given us His weapons to fight this spiritual war. In **The Armor of God: The Battle Is Real...The Victory Is Sure**, you will discover that putting on the armor of God is putting on Jesus. Satan is a liar and a deceiver, and he is well-trained in lies and deceit. Being clothed in God's armor keeps the battle where it belongs...in the hands of our powerful God. We can't fight a spiritual war with emotions or the flesh, or we will quickly become casualties. We must let our enemy know that we choose to stand our ground against his onslaught and to walk in Christ's victory every day! Christians already have victory over the world through Jesus, but Satan picks a fight with believers nonetheless, tempting them with the influences of the world in an effort to steal God's glory. Indeed, the battle rages on, but the nature of the enemy is baldly exposed in **Spiritual Warfare**, helping readers better understand feelings of resentment, anger, doubt, pride, and adversity for what they really are: fiery darts of deception. Written by International Mission Board president Jerry Rankin, who has witnessed spiritual warfare at work around the world, the book in turn becomes an inspiring guide to the Spirit-filled life, illuminating spiri-

tual disciplines that equip us for victory including prayer, Bible study, fasting, Sabbath observance, active church membership, and praising God in all things.

How to Defeat the Enemy During These Dark Days As the time approaches for Jesus' return, the spiritual battle between good and evil is heating up. Evidence is all around: shootings, genocide, civil wars, increased persecution. Our enemy is real, and it seems as if he is winning. The good news is that God is at work in powerful ways--and that Satan is not winning. But we need to know how to wage war against him and his plans for these turbulent days. We must understand not only the intensified warfare environment of the end times, but how we can walk in our authority in Jesus Christ. Here are the practical insights you need on how to fight using the spiritual weapons God has given us: the blood of Jesus, the Word of God, our own testimony, and more. When we learn how to wield these weapons, we will see victory over Satan and his kingdom and bring hope to these dark days.

Spiritual warfare in the life of the Christian is a constant battle. We are never free from the battles that rage in our flesh, our mind, the world, or in the spiritual realm where Satan rules supreme as the power of darkness and sin. In God's wisdom, He has made provision for the Christian to avoid many battles, to be victorious in those battles we must confront, and to live an effective, joyful life for Christ. That provision is the armor of God. In this book you will learn important facts about the sources of our battles and about each piece of armor. However, the story does not end with simply providing information. You will learn, from Scripture, how to put on the armor God has provided for you.

Without wearing God's armor, you leave your spiritual life exposed to temptations and battles, which you will needlessly have to fight. Putting on the whole armor of God will divert Satan's attacks in order to continue serving God without being sidetracked from your primary mission of glorifying God. You will still face battles and temptations wearing your armor. The difference is that His armor will help you handle them in such a way that you grow through them instead of losing the battles and yielding to temptations.

Through this devotional aimed at personal accountability, you will find the motivation and encouragement to live according to God's path. The author addresses resisting the Devil, finding biblical inspiration, protecting yourself, and finding the spiritual weapons for the fight. Written for men, women, and young adults, this Bible study and daily devotional gives new life to God's Words and His directions for how to overcome sin.

We can't fight a spiritual war with emotions or the flesh, or we will quickly become casualties. We must let our enemy know that we choose to stand our ground against his onslaught and to walk in Christ's victory every day! Since the beginning of time, a fierce spiritual battle has raged between the forces of good and evil. Today the spiritual entities of wickedness are winning, burdening countless souls in a world lacerated by evil. To claim victory, God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come. In these pages, theologian Venatius Oforka explains that we are part of a spiritual web through which God acts to save souls. No longer does God create out of nothing. Instead, He achieves His purposes through the prayers and actions we pour in. To win such a sophisticated war, Oforka introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal destiny. From Father Oforka, you will learn: How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil's evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual

warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come *The Art of Spiritual Warfare* is the one book you need to awaken our world from its spiritual hibernation and to exercise the awesome privilege of working with God in the realization of His Kingdom.

Warfare...hell...demons..."I'm just trying to drive my kids to school and stay on top of the laundry. " "What does any of that have to do with me?" You've heard plenty of talk about evil. You've heard about binding Satan and breaking strongholds and calling demons by name. You've heard you should claim your victory in Christ...but you're not really sure how to do that. This isn't a book about evil. With passion and strength, Mary DeMuth brings balance and insight to the often murky realm of spiritual warfare. As you embrace the abundant life to which God calls his daughters, she'll tell you why your voice matters for eternity. And on the darkest days, you'll know that spiritual warfare is about bowing before the Creator, not cowering before the devil. It's about finding freedom and beauty in the midst of devastation. It's about the power of God to heal our hearts, to move mountains, to intercede when we're weary. It's about crucifixion and a defiant, glorious resurrection. It's about truth. It's about power. Join Mary in the beautiful battle, and be renewed on the journey.

"The whole armor of God" that worked so effectively for these ear-

ly believers is the very same set of spiritual armor worn by the Church of Jesus Christ today. Just as these early Christians were fully equipped with the whole armor of God for the troubles of their day, we also have the whole armor of God to live victoriously for Jesus Christ during our day. And this armor still works just as effectively as it did then! Each element of God's spiritual armor - the loin belt of truth, the breastplate of righteousness, the shoes of peace, the shield of faith, the helmet of salvation, the sword of the Spirit, and the lance of prayer and supplication - are still vital, effective, and powerful weapons for the Body of Christ today.

Although we are living in a physical world, there are spiritual battles that we are engaged in with demonic forces in the spirit world. Every believer is engaged in a three-front war against the devil, the world system and his own flesh whether or not we are aware of it. The battlefield is in the spirit realm yet the outcome of these spiritual battles have an effect on the destinies of people in the natural realm. This battle takes place in the invisible spiritual realm where the stage is set and battle lines have already been drawn against us by demonic forces. It is a battle waged against us by Satan and his diabolical cohorts of the dark world. If you are to live a victorious life and prevail in these trying times in which we live, it is imperative that you learn how to engage in spiritual warfare lest you fall prey to the whims and vagaries of the devil. Sadly, today there is near universal paucity in practice in understanding of matters of spiritual warfare as dozens are of believers are still sailing their boats through shallow streams of spiritual understanding where spiritual warfare is concerned. It is disheartening to note that dozens of believers seem to be inept

at spiritual warfare for the most part and are deficient in understanding of spiritual weapons the Lord gave to the Church with which to fight our enemy. Despite its significance in the Christendom today, spiritual warfare is the very area where Christians have little understanding and a main reason why they don't achieve the desired results from the Lord is because they never engage the enemy in warfare. It is for this reason that this publication has been brought into the limelight as a key weapon in the Body of Christ to unpack the divine revelations of strategic spiritual warfare. This book does not just devise the stratagems Christians can use to fight against satanic forces but also unpacks the divine concept of strategic warfare. A strategy is an intelligently formulated plan of action that is used to stay ahead of those who are competing against you. It gives you an upper hand or competitive edge over your opponents. Strategic warfare therefore implies understanding the art of warfare or how to fight battles in the spirit realm against satanic forces and influences. It connotes to how to fight battles in the spirit realm against satanic forces and influences and how to cast out demons either from the bodies of their victims or from the environment in your sphere of contact. The truth is that winning the battle is not an outcome of physical muscles or disposition of weapons but an art. This means that it requires a strategic thinking and spiritual intelligence to successfully engineer and won battles in the spirit realm. In this publication, Apostle Frequency Revelator therefore unpacks the divine revelation that Spiritual warfare is an art that involves developing an understanding of who your enemy is, how he operates, what strategies he uses to fight against you, what his warfare base or strongholds are and what his strengths, weak-

nesses, opportunities and threats are. At a broader length, it incorporates a wide spectrum of spiritual acts such as understanding the spirit realm in which the devil operates, how to manoeuvre and navigate your way in the spirit world, how to cast out demons, how to obtain a legal precedent against the accuser the devil before the High Court of Heaven, as well as how to plead cases, accusations and petitions lodged against believers before the Courts of Heaven. At a strategic level, spiritual warfare involves undertaking such strategic acts as taking over new territories for Jesus, reclaiming territories that have been taken over by enemy through the paradigm of ignorance as well as strategically occupying political, financial, media and all other territories that are deemed critical in the proliferation of the Gospel. This is what God expect you to do as a heavily armed warrior in His kingdom. Have you ever felt like you were fighting a losing battle? In her first book, Damaris outlines 7 biblical strategies for victorious spiritual warfare. You will learn: 1. How to wield the weapons God has placed in your hands effectively. 2. Who your enemy is and how to wage war against him. 3. Why crying out to God is your greatest weapon. 4. Why you should trust God even when he doesn't give you the outcome you desire. 5. How to plunder the enemy's territory and emerge from the battle with the spoils of war. 6. The battle is God's. 7. How to be faithful to God through every battle.

Identify and use spiritual weapons for continual victory

Pursue holiness, engage in effective spiritual warfare, and find strength to stand against the enemy. This book of daily readings will help you learn that spiritual warfare begins with holiness as you examine the three arenas of spiritual warfare that every ma-

turing Christian will face: the mind, the church, and the invisible spiritual realm. You will find strength to stand against the enemy by focusing on: * Areas of darkness in their hearts that the Lord wants to expose * Unity and love--two keys that unlock the power of God to move * Jesus and the power He gives to contend in the heavenly realm This balanced, biblical view of spiritual warfare will arm you with the discernment, wisdom, and insight you need for taking ground in your life and contending with unseen spiritual forces all around you.

Spiritual warfare is inevitable, so all believers must be prepared to confront it at one point or the other. It is crucial for every believer to have a thorough knowledge of how this warfare is con-

ducted. Believers need to know the following: whom we are fighting; the level of the enemy's strength; the warfare tactics involved; our own weapon of victory; and how to win the war. The focus of this book is to wake up the sleeping warriors, the believers, and the anointed battle axes of the Most High God. To prepare each individual for spiritual battles, to teach you how to obtain your desired victories and triumphs, no matter how fierce the warfare or fiery dart the devil throws at you. This is a must read for everyone who seeks to lead a victorious life having understood that life is not a fun-fare but a warfare!

You're at war. Are you winning? Your fight is not with the problems you can see—depression, a broken marriage, addiction, or financial troubles. These are just the symptoms, the true disease—the true battle—is against the devil and his armies. But the devil's not afraid of mere humans like you and me. So how are we supposed to fight? More importantly, how are we supposed to win? Warfare is a guide to fighting the battles that matter. In it, you'll learn: to identify how spiritual warfare is impacting your soul, family, church, and culture. who the armies are and what role they play—God, angels, demons, and the devil how to use the arsenal of spiritual weapons God provides how to claim the victory God has already won. When we fight the right battles with the right weapons, fear gives way to courage, futility gives way to purpose, and failure gives way to victory.
