Darren Richards opened his eyes to find himself duct-taped to a chair with a crossbow pointing at him. Behind the crossbow is a hooded figure wearing a black-faced, round-eyed gas mask. The figure tells him what Darren knows: that he stole a car, drove it recklessly while under the influence of drugs and killed a woman and her baby. His solicitor managed to get the case thrown out of court on a technicality so he has not paid for his crime. That, says the figure, cannot be allowed to happen. Darren turns to his right. Next to him are his girlfriend and their baby daughter. Both similarly taped to a chair, gagged. It's very simple, explains the figure. Either you die or your girlfriend and child die. But someone has to pay. A life for a life. The choice is Darren's... Truth or Dare is the sixth page-turning thriller in the internationally bestselling Brennan & Esposito series. You won't be able to put it down.

Have you ever had one of those really bad days at work? You know, one where your sexy AF boss catches you photocopying your backside in his office? No? Just me then? I blame my bestie and partner in chaos. She challenged me with a not-so-innocent dare that I should've flat out declined. But I'm an adrenaline junkie, and now, here I am. I know it sounds crazy, and daredevil tendencies aside, I definitely went too far to get his attention. But you haven't seen him. Colton Wolfe. My boss. Tall, dark, and handsome, with the sexiest British accent I've ever heard. His only flaw? That he's completely oblivious to what's been right in front of him all along. Me. Well, he was until a few minutes ago. Remember those good old days? Before I got caught bare-assed and making nice with the copy machine, and before I was totally getting fired? But wait. Maybe I'm not. If I can take on the biggest dare of all. Making Colton Wolfe fall in love with me.

So, per her request, we're traversing a friends-with-benefits situation and keeping it a secret so things don't become awkward for everyone when this dies off.A short-lived fling is all she's expecting, but here's a truth for you...I never intended for this to be just a fling. It's Senior Party Week, that magical in-between time after classes have ended but before graduation, chock-full of gimmicky theme parties, last-minute bonding, and family traditions. Olivia couldn't be more ready. Class salutatorian and confident in her future at LSU, she's poised to sail through to the next phase of her life. But when the tiny hiccup of an unsigned off-campus P.E. form puts Olivia in danger of not graduating at all, she has one week to set things straight without tipping off her very big and very nosy extended family. Volunteering to help at a local golf tournament should do it, but since Olivia's mom equipped her phone with a tracking app, there'll be no hiding the fact that she's at the golf course instead of all the graduation parties happening at the same time. Unless, that is, she can convince the Fab Four--her ride-or-die cousins and best friends Sophie, Charlie, and Wes--to trade phones with her as they go through the motions of playing Olivia for the week. Sure, Olivia's sudden ""passion"" for golf is met with some suspicion. And sure, her grasp of the rules is a little shaky. And yes, okay, a very cute, very off-limits boy keeps popping up in her orbit. But she is

focused! She has a schedule and a plan! Nothing can possibly go wrong . . . right?

In a deliciously sexy twist on the classic game, USA Today bestselling author Mira Lyn Kelly proves that when playing truth or dare—always choose dare. After her one attempt at commitment ends in the worst kind of betrayal, Maggie Lawson vows that the only people she'll love 'til death do they part will be her friends. Unfortunately that means Maggie letting her bestie rope her into a year-long dating dare: score a new date each month or pay a penalty. Seems doable—until Maggie's date stands her up, leaving only one option: the sexy stud who just moved in upstairs. The problem? He and Maggie can't stop fighting—and that's just the beginning. His name is Tyler Wells and the last thing he needs is his neighbor distracting him with her girl-next-door smile and sharp tongue. Tyler's in Chicago for one reason: to woo back his selfish ex in order to reclaim the child he once thought was his—and that means keeping Maggie out of his bed. A tall order, since Maggie has become a bigger temptation than he ever expected to face. But before they can even consider leaving the past behind, Maggie and Tyler must accept a brand-new dare: real, forever love. Praise for Truth or Dare "It's clear from the beginning that all the snark between Tyler and Maggie is masking a powerful attraction that they both wish to ignore. Every time they resist just makes every time they give in that much hotter (and sweeter)."—Library Journal "Truth or Dare is a sexy, heartfelt story about hard choices, sweet temptation, and forever love!"—USA Today bestselling author Tina Wainscott "I so enjoyed this book! Incredible tension, a great cast of characters—undoubtedly all ready for their books—some very funny moments and lines ('Friends don't let friends take their wine home in a baggie!') and some really goeey emotional conflict."—Molly O'Keefe, author of Indecent Proposal "Delicious tension, raw emotion, and plenty of heat make Truth or Dare a sexy, witty read."—Elisabeth Barrett,

author of the Star Harbor series "Mira Lynn Kelly is a master storyteller, and she proved it again here. She crafted unforgettable characters that wormed their way into the reader's heart. Truth or dare? What begins as a carefree afternoon of celebrating their college graduations for a group of ten friends quickly turns dark when the girls of the group receive word that an abusive ex-boyfriend they had each dated in their time has been released early from prison. Handsome, exotic, and dangerous, John Miller has unfinished business with his latest ex-girlfriend, Taylor Johnson. With the help of her friends Kala, May, Judy, and Cristy, she had put him behind bars with her testimony for almost killing her one cold November night. After a game of truth or dare, the hostess of the party calls out a name to make the "ultimate dare," little does she know she will have to take part. Dared to go in the dead of night to an alley with a violent and bloody history, Taylor, Kala, and May witness one of their friend's brutal murder. They escape from the killer's grasp, barely making it out of the alley alive. The only problem is that the killer has seen them and knows who they are... Things are just getting started in part one of this series. Take the dare and follow the group of friends through one hell of a ride.

Synopsis coming soon.....

Who is this guy? Sophia Mason's junior year of college isn't exactly off to the best start. The semester has just begun, and the president of her sorority has already ousted her from the house. With nowhere else to turn, she ends up at her brother's apartment—only to find it inhabited instead by a handsome stranger. On paper, Drew Nolan doesn't have much going for him as an uneducated bartender from a sketchy family. But when a spoiled rich kid asks Drew to take over his life so he can travel around Europe instead of attend classes, Drew sees the opportunity to get the college education he's always dreamed of. Forced into a cover-up under the same roof, Sophia and Drew forge an unlikely friendship. As the two grow closer, lines blur and boundaries stretch, and they find comfort in living the lie they've adopted. But reality comes knocking all too soon, and Sophia and Drew will have to weigh what's worth fighting for and what should never ever have been.

Jackie Whitman, Washington DC's "It Girl." She's drop-dead gorgeous, brilliant and dating the President's son. Under 24/7 media scrutiny, she never makes a mistake...but there's a new guy on the scene with all the right moves. Suddenly, being bad has never looked so good. Taylor Cane, blonde bombshell and wild child extraordinaire. She's the leader of the pack and the glue that binds the four of them together. Reckless adventure is her specialty, flirting with danger her drug of choice, no matter the consequences. Lettie Velasquez, she's all brains and blind ambition. Her goal: Princeton. Though money and privilege elude her, she's counting on hard work to pay off one of these days. So long as her heart doesn't lead her astray. Laura Beth Ballou, poor little rich girl and a real southern belle. She dreams of Julliard and the bright lights of Broadway. She's sweet as pie...until the new girl in town starts messing with her friends. Capital Girls forever...But when one of them dies in a mysterious accident, their once impenetrable bond is shaken. And as secrets long kept rise to the surface, the future of their friendship hangs in the balance. One thing's for certain, though: Washington DC will never be the same again.

After tragedy strikes, Sophia Mason finds herself thrown back together with her ex fake-brother/boyfriend Drew. But this time she's going in with her eyes open and her mission clear: she'll help Drew get back on his feet and then show him the door. Simple...right? Drew Nolan's spirit is almost as broken as his body. Asking Sophia to help him seems cruel after the way things ended between them, but she doesn't give him much choice—something he's extremely grateful for. When Sophia's brother, Brody, reappears, their lives become even more of a circus, but they all manage to settle into their own version of normal—a normal that involves starting a venture of questionable ethics in the eyes of the university. As Sophia and Drew help get the business off the ground, it becomes impossible for them to deny the feelings that still exist between them. But when the going gets tough and Sophia risks getting kicked out of school, will Drew remain by her side and support her, or will he run again?

Pretty in Pink meets Anna and the French Kiss in this charming romantic comedy Ella is nearly invisible at the Willing School, and that's just fine by her.
