Things to feed your worms include: Fruits Vegetables Paper Squash and Pumpkin Eggshells Coffee Bread Pasta Tea Bags Grains Hair Lawn Clippings (aged ...

What should I feed my dog? - RSPCA Knowledgebase

What Can I feed my Worms? - Uncle Jim's Worm Farm

I leave dry food, a prescription weight loss diet from my vet, out all the time and feed the ones that like it a small amount of canned food in the morning and the evenings. Since cats are known to not drink enough water and I lost a cat to kidney issues recently, I researched and decided that a combination of the two types of food would be the best option for me.

If you wonder what to feed a dog with diarrhea, it is best to offer it a soft diet, so you can: Serve a small portion of cooked rice

without salt or seasoning together with a little shredded chicken cooked without any seasoning. The portion should not be large and ideally serve two or three servings throughout the day so the dog is eating slowly.

How and What to Feed Your Chickens or Laying Hens
